Re:

Appointment of Counsel for Antonio Masga

Dear Judge Munson:

As part of an ongoing investigation, the DEA has information that Antonio Masga has participated in drug trafficking and has information regarding other drug trafficking in the CNMI. Diane Cabrera defended Mr. Masga in a recent CNMI case as court-appointed counsel. I would like to speak to Mr. Masga to discuss a federal plea agreement and possible future cooperation. However, before I do, he should be represented by an attorney who can competently defend him in federal court.

I have spoken to Attorney Cabrera, who is not a member of the federal CJA panel. She has had Mr. Masga complete a federal CJA financial affidavit, a copy of which is attached. Mr. Masga appears to qualify for court- appointed counsel in federal court. I ask that you consider appointing an attorney for him as soon as possible.

Presently, Mr. Masga is in the custody of the CNMI Department of Corrections. He can also be reached through Attorney Cabrera, whose number is 288-5128.

An attorney believed to have a conflict of interest is Stephen Woodruff.

- a. Defendant agrees that the time between the filing of this plea agreement and the date Defendant is sentenced following the change of plea is excludable under the Speedy Trial Act, 18 U.S.C. § 3161.
- b. Upon execution of this Agreement, Defendant will cooperate with the United States as follows:
- i. Defendant will meet with government representatives as often as necessary to provide information, answer questions, prepare for court or other official proceedings, and such other purposes as deemed necessary by the government to fulfill his/her responsibilities under this Agreement;
- ii. Defendant will appear and testify in any and all legal proceedings, including, but not limited to, grand jury, pre-trial, trial, re-trial, and sentencing proceedings; and
- iii. Defendant understands that any and all statements, information, and testimony that he provides must at all times be complete and truthful. If, at any time, Defendant willfully provides statements, information, or testimony that is less than complete and truthful, Defendant shall be subject to prosecution for doing so, including, but not limited to, prosecution for making a false statement, obstruction of justice, and perjury.
- 2. In exchange for Defendant's plea of guilty, the government will recommend that the Court impose the following sentence:
- a. The government will recommend that the Court impose a term of imprisonment within the range provided by the United States Sentencing Guidelines ("U.S.S.G." or "guidelines"), not including probation or a split-sentence even if provided by the guidelines, provided that Defendant does not seek a sentence below the guidelines range for any reason.
 - b. The government is free to recommend any combination and amount of

supervised release, fines and restitution which it deems appropriate.

- If the government, in its sole discretion, determines that Defendant has provided substantial assistance in the investigation or prosecution of another person, the government will file a motion under § 5K1.1 of the guidelines asking the Court to impose a sentence below the guideline range. Defendant understands that the substantial assistance determination is solely up to the Office of the United States Attorney. Defendant also understands that the Court alone makes all sentencing decisions, including the sentence to be imposed. The government makes no promise or representation about what sentence it will recommend if it makes such a determination or what sentence the Court will impose.
 - 3. For purposes of determining the offense level under the guidelines:
- The government agrees to recommend a two-level reduction in the offense level for acceptance of responsibility under § 3E1.1(a) provided Defendant continues to demonstrate acceptance of responsibility through sentencing.
- As of the date of this agreement, Defendant has timely notified authorities Ъ. of an intention to enter a plea of guilty. If, and only if, Defendant
 - 1, pleads guilty pursuant to this Agreement;
 - 2. on or before the date scheduled by the Court; and
 - the offense level is 16 or greater; / 3.

the government will move the Court for an additional one-level decrease in the offense level under U.S.S.G. § 3E1.1(b)(2).

reserve their rights to argue and present evidence on all matters affecting the guidelines calculation.

- 4. Defendant understands that the guidelines are not binding on the Court. The Court must consult the guidelines but they are only advisory. Defendant also understands that the Court alone makes all sentencing decisions, including the application of the guidelines and the sentence to be imposed. The Court is not bound by the parties' stipulations or agreements concerning facts, the offense level or adjustments under the guidelines, or the government's recommendations. The Court, in its discretion, may impose any reasonable sentence up to and including the maximum penalties set by law after taking into account the factors enumerated in 18 U.S.C. § 3553(a). Defendant is further advised and further understands that even if the Court's guideline determinations and sentence are different that Defendant expects, Defendant will not be allowed to withdraw his plea of guilty.
- 5. The maximum statutory penalties for the offense to which Defendant is pleading guilty are:
 - a. Twenty years' imprisonment;
 - b. a fine of \$1,000,000;
 - c. a term of supervised release of three years; and
